TTA-112

The captioned application became abandoned for failure to respond properly and pay the Large Entity Issue fee due on the Notice of Allowance dated June 26, 2008 leaving a balance of \$43.00 and the failure to respond was unintentional.

The possible misunderstanding was discovered on or about August 1, 2008, which was confirmed in a subsequent investigation, and a response to the outstanding action was then prepared. A response to the Notice of Allowance and Fee(s) was mailed to the patent office on June 26, 2008 and the submitted fee was insufficient. Attached is the balance of the Notice of Allowance Fee of \$113.00. It is believed that the patent office has charged the fee of \$1,697.00 leaving a balance of \$113.00.

A terminal disclaimer under 37 CFR §1.20(d) is not required for the captioned application because it was filed after June 8, 1995.

(2) The balance remaining for the Large Entity Notice of Allowance fee of **\$113.00** and the petition fee of **\$1,620.00** as set forth in 37 CFR §1.17(m) is hereby authorized to be charge to the **Patti, Hewitt & Arezina LLC Business Credit Card**.

In the event of under or overpayment of a fee at anytime during the prosecution of the subject application, the Commissioner is hereby authorized to charge or credit the **Patti, Hewitt & Arezina LLC Credit Card** the amount necessary to correct the error.
